## Flags in Our Neighborhood

Flags in our Neighborhood is a fundraiser for local Boy Scout Troop 73.

The Boy Scouts of America is one of the nation's largest and most prominent value-based youth development organization. The BSA provides a program for young people that builds character, trains them in the responsibilities of participating citizenship, and develops personal fitness.

For over a century, the BSA has helped build the future leaders of this country by combining educational activities and lifelong values with fun. The Boy Scouts of America believes — and, through over a century of experience, knows — that helping youth is a key to building a more conscientious, responsible, and productive society.

Your *contribution* to this program will enable our scouts to participate in the full range of these activities. For your \$30 donation, members of Troop 73 and their parents will display a 3' x 5' American made, American flag in your yard, on the days listed below. All components used are made in the USA.

Yes! I would like to participate in the Troop 73 Flags in our Neighborhood program for a yearly contribution of \$30. Troop 73 agrees to place an American Flag at the residence shown below on each specified flag display holiday. It is my responsibility to advise Troop 73 of any sprinkler, plumbing and electrical service locations. It will also be my responsibility to ensure that the flag sleeve does not rise above ground level where it may damage equipment used to maintain the lawn.
